INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Enclosed is form PTO-1449 which lists twenty-four (24) references. In accordance with §1.98(d), copies of the twenty-four (24) references listed on the attached Form PTO-1449 are not enclosed herewith because they were previously cited by or submitted to the Patent and Trademark Office in prior continuation application Serial No. 10/001,007, for which a claim for priority under 35 U.S.C. §120 has been made in the instant application.

Note also that the enclosed form PTO 1449 lists a reference (No. 19) which appears to have been transmitted by the Examiner to applicant in a prior office action of the parent application Serial No. 09/021,933, but was never referenced or cited.

App. No. : 10/074,705
Filed : February 13, 2002

This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits, and presumably no fee is required in accordance with 37 C.F.R. § 1.97(b)(3). If a first Office Action on the merits was mailed before the mailing date of this Statement, it is requested that the undersigned be contacted for payment of the fee as set forth in 37 C.F.R. § 1.17(p).

Pursuant to 37 C.F.R. § 1.97(g) and (h), Applicant makes no representation that a search has been made or that the information cited is considered to be material to patentability. Additionally, inclusion on this list is not an admission that any of the cited documents are prior art in this application. Further, Applicant makes no representation regarding the completeness of this list or that better art does not exist.

Respectfully submitted,
